Pricing:

Published prices apply to most test samples. Samples which require special handling, extra processing or manipulations may incur additional charges. MICROBIOLOGICAL ENVIRONMENTS will provide price quotations after evaluation of the samples or protocol, prior to initiation of the work.

Prices include submission of a final report by US Mail and maintenance of records and raw data for five years. Requests for overnight delivery, additional copies of reports and sample returns will incur additional charges. Volume discounts may apply. Prices are subject to change without notice; however quoted prices will be honored for 60 days.

MICROBIOLOGICAL ENVIRONMENTS accepts checks drawn on US Banks, and wire transfers.

STAT Charges:

Clients frequently need samples processed and/or reporting completed STAT. These requirements will be honored when capabilities permit and additional fee(s) may be applied. Any samples processed on weekend, holidays and/or after hours may also accrue additional fees.

Terms:

Terms are net 30 days. Fees are subject to change without notice. Negotiated volume discounts are only applied to invoices paid within 30 days. Interest at the rate of 2% per month will be added to accounts past 30 days. A charge of \$30.00 will be applied for each returned check.
