SAMPLE SUBMISSION

Submitting a Sample for Analysis:

Samples submitted for analysis must be accompanied by a chain of custody form. All samples must be clearly labeled, labels should include name of sample, lot number, date sample was taken, and sample type. Sample submission forms are available online at [http://www.microbioenv.com/Sample Submission Form.htm](http://www.microbioenv.com/Sample%20Submission%20Form.htm) or by calling 610-866-7272.

Sample Pick-Up Service:

A courier fee of \$30.00 is applied to sample pick-up within a 20 mile radius from the laboratory, scheduled before 1:00pm on a regular business day. Any distance greater than 20 miles will be based upon travel time and billed at \$75.00/hour. Courier service can be scheduled by calling the laboratory at 610.866.7272

Reporting Results:

A client may ask for preliminary results during the course of a study. It must be understood that only the final written report after being reviewed and approved is considered to be valid. Final reports will be issued in a timely manner.

All results will be reported to the client. Decisions involving status of samples based on our results are the client's responsibility. MICROBIOLOGICAL ENVIRONMENTS will perform retesting and adjunct testing at the client's request to assist in the decision making process.

Non-Routine Analysis:

MICROBIOLOGICAL ENVIRONMENTS has the capability to conduct special studies. Please call for information and pricing.

Turnaround Time:

Our goal is to meet your needs. Most analysis will begin on the day of receipt if received before 2:00pm eastern standard time. Final reports are generally mailed to the client within 10 business days after all testing has been completed.
